

# HELP KEEP THE CTSMA FLOURISHING INTO THE FUTURE

## 2017-2018 VOLUNTEER FORM

Healthcare's Most Versatile Professional

### CTSMA NEEDS VOLUNTEERS FOR THE 2017-2018 YEAR.

The CTSMA is looking for members to volunteer their time to help on one of the many committees that the society has. The CTSMA is a volunteer based organization. The success of the CTSMA is because of members that give back to their profession. The organization would not exist and continue to grow without this help. Over the last couple of years member participation has decreased causing us to look at restructuring the organization. Almost all of the committee duties can be done at home, meetings are held online, and correspondence is done over email or phone making it easy to help even with the busiest schedules.

Please help keep this great organization growing and flourishing into the future by helping on one of the following committees:

**\*Convention Committee-** Plans and organize the annual state spring convention. (Meets online and in person)

**\*Continuing Education-** Reviews articles and webinars for online CEU programs. Helps organize regional state CUE programs. (Meets online)

**\*Marketing-** Puts together flyers and marketing materials for the CTSMA. (Meets online)

**\*Membership-** Sends welcome letters out to new members. Puts together programs and materials to help increase membership. Visits schools and speaks to students regarding the CTSMA. (Meets online and may have some in person meetings)

**\*Public Relations-** Works on legislation and public policy for the CTSMA. (Meets online)

**\* Bylaws-** Review bylaws and complies any changes for the annual meeting. (Meets online)

Please fill out the information below and submit the form by email or mail to address below, by June 1<sup>st</sup>. Committees will be announced by July 1<sup>st</sup>.
